The link will bring you to the **"Manage Club Administrators"** page where you will be able to add the athletes to the roster of your club (Participants list) and compose your team(s).

To add an athlete to the **"Participants list"**, click **"Add"** and...

a) if the athlete is already registered on the platform, type the name, choose the role and click **"Add"**;

अतुल्य ! भारत
Incredible India

b) **if the athlete is not yet registered on the platform**, you can add a new member to your delegation by selecting his role and entering his email. The new athlete will receive an email to verify his account (all the athletes must verify their account).

Fill the form and "Save".

Under "**Team Information**" specify the **OFFICIAL IOC CODE** of your COUNTRY for each category you plan to take part in. If your COUNTRY is going to register more than a Team in the same category, you have to follow this example -> FRA 1, FRA 2

The use of Unofficial Denomination invalidates the registration.

List of IOC Code: https://en.wikipedia.org/wiki/List_of_IOC_country_codes.

If your Federation is planning to register more teams in the same age category/division (e.g. more teams in the "Senior Men") **use the progressive numbering** (e.g. FRA 1, FRA 2).

If the same Athlete will compete in more divisions (e.g. *Senior Men* and *Senior Mixed*), **select both and write the respective Team denomination.**

The athlete has been added to your roster.

If the athletes are already registered, the operation becomes much faster and easier (see pag. 12).

The screenshot shows the RAFTING TEAM VERONA CLUB website interface. At the top, there is a header with the club name and social media icons.
